

Land Use and Transportation Planner

Lincoln County is seeking qualified candidates for the position of **Land Use and Transportation Planner** at the Lincoln County Regional Planning Commission (LCRPC), a department of County government.

This full-time (40 hours per week) position provides land use planning strategy, transportation planning guidance, public engagement and facilitation knowhow, comprehensive planning analysis, and GIS applications to Lincoln County and its municipalities. This includes providing technical assistance, research, and communication on topics including, but not limited to, affordable housing, regional transportation planning, grant writing and management, and community development to the LCRPC Board, municipal leaders, and other entities in Lincoln County.

Minimum Qualifications:

- At least three (3) years of professional experience directly related to essential duties and responsibilities, including land use planning, public engagement, and/or ordinance development.
- Effective written communication, public presentation, and interpersonal skills.
- Demonstrated knowledge and application of GIS Software and Microsoft Office.
- Experience with website design and social media outreach a plus.
- Strong organizational and prioritization skills.
- Strong research and analytical skills, including online research.
- Experience with major state and federal funding programs.
- Ability to work flexible hours on occasion, which may include attending early morning or evening meetings.
- Knowledge of Midcoast Maine preferred.
